

HAPPY HOMES

Helping Our Communities Feel at Home

FACT SHEET

A home is a place where one can feel comfortable and safe. Join Happy Homes as we provide markets in which we build with resources and necessities to ensure individuals have a special place to call their home.

OUR MISSION

To provide support and resources in the markets we serve to help make every house feel like a home.

OUR VISION

Turning a house into a home in the markets we serve.

OUR GOALS*

- Create opportunities for employees to partner with organizations that provide housing rehabilitation and repair services.
- Coordinate donations that support individuals who need help maintaining their home.
- Facilitate partnerships with charitable organizations for guest speaker opportunities.
- Provide virtual sessions for employees to learn about housing rehabilitation and repair.
- Engage 30% of employees to participate in events throughout 2021.

* Goals will be updated annually
